

INDEPENDENT AUDITOR'S REPORT

To The Members of Softvan Labs Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Softvan Labs Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the material accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, but does not include Financial Statement, and our auditor's report thereon.
- Our opinion on the Financial Statements does not cover the other information, and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - A. We have sought and obtained all the information and explanations that, to the best of our knowledge and belief, were necessary for the purpose of our audit.
 - B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- C. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- D. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- E. On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.
- F. With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- G. The provisions of Sec 197 read with schedule V of the act are not applicable to the company as no managerial remuneration is paid to directors for the year ended March 31, 2025.
- H. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company does not have any pending litigations that would impact its financial position.
 - b) The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.
 - c) There were no amounts that were required to be transferred to the Investor Education and Protection Fund by the Company.
 - i. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company.
 - provide any guarantee, security, or the like to or on behalf of the Ultimate Beneficiaries.
 - ii. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or

- provide any guarantee, security, or the like from or on behalf of the Ultimate Beneficiaries; and
- iii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material misstatement.
- d) The Company has not paid any dividend during the period and hence, compliance with Section 123 of the Act is not applicable.
- e) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- f) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- (viii) Reporting as required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, and the same is attached herewith as **Annexure-A**.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our Report of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) According to the information and explanations given to us and based on our examination of the records of the company, the company has maintained proper records showing full particulars, including quantitative details and the situation of property, plant, and equipment.
- (b) The company does not have any intangible assets. Hence, the requirement to maintain proper records showing full particulars of intangible assets is not applicable.
- (c) According to the information and explanations given to us, property, plant, and equipment have been physically verified by the management at a regular interval of time. No material discrepancies were noticed on such verification.
- (d) According to the information and explanations given to us, the company does not own any immovable properties. Accordingly, clause (i)(d) is not applicable.
- (e) The company has not revalued its property, plant and equipment during the year.
- (f) According to the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, and rules made thereunder. Accordingly, clause (i)(f) is not applicable.
- (ii) (a) As explained to us, the company does not have any inventory during the year. Accordingly, the reporting requirements under clause (ii)(a) of the Companies (Auditor’s Report) Order, 2020 are not applicable.
- (b) The company has not been sanctioned any working capital limits in excess of ₹5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets during the year. Hence, the provisions of clause (ii)(b) are not applicable.
- (iii) According to the information and explanations given to us and based on our examination of the records of the Company, we report that:
 - a) The Company has provided loans or advances in the nature of loans or provided security to the following entities during the year:

Particulars	Guarantees	Security Deposit	Loans	Advances in the nature of loans
Aggregate amount granted/provided during the year	-	2752.67	-	48.40
-Associates	-	-	-	-
-Others	-	2752.67	-	48.40
Balance outstanding as at balance sheet date	-	2752.67	-	14.63
-Associates	-	-	-	-
-Others	-	2752.67	-	14.63

(b) In our opinion, and according to the information and explanations given to us, the advances made, securities given, and the terms and conditions of the grant of all loans and advances in the nature of loans during the year are not prejudicial to the Company's interest.

(c) In respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated, and the repayments or receipts are regular, wherever applicable.

(d) There is no overdue amount remaining outstanding as at the balance sheet date in respect of the loans granted.

(e) No loan or advance in the nature of loan granted by the Company has fallen due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) The Company has granted loans or advances in the nature of loans that are repayable on demand as follows:

Particulars	All Parties	Promoters	Related Parties
Aggregate amount of loans & advances in nature of loan	14.63	-	-
-Repayable on demand (A)	-	-	-
- Aggregate does not specify any terms or period of repayment (B)	14.63	-	-
Total (A+B)	14.63	-	14.63
Percentage of loans/ advances in nature of loans to the total loans	100%	-	100%

- (iv) In our opinion and according to information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Companies Act, 2013 has been duly examined. Since the Company has not granted any loans, the provisions of these sections in respect of loans are not applicable.
- (v) According to the information and explanation given to us, the Company has not accepted any deposits as defined in the Companies (Acceptance of Deposits) Rules, 2014. Accordingly, the provision of Clause 3(v) of the order is not applicable to the Company.
- (vi) The Central Government has not prescribed maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013, for the business activities carried out by the Company, and therefore, reporting under Clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us, in respect of statutory dues:
1. The Company has been regular in depositing undisputed statutory dues.
 2. There were no undisputed amounts payable as at March 31, 2025, for a period of more than six months from the date they became payable.
- (b) The Company has no disputed outstanding statutory dues as at 31st March, 2025.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) According to the records of the company and information and explanations given to us, the company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender, including banks, financial institutions, or related parties (such as the holding company)
- (b) The company has not been declared a willful defaulter by any bank or financial institution or any other lender.
- (c) According to the information and explanations given to us, and based on our audit procedures, the term loans obtained during the year have been applied for the purposes for which they were obtained.
- (d) On an overall examination of the financial statements of the company, funds raised on short-term basis have not been used for long-term purposes.
- (e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures.
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies.
- (x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally), and hence reporting under clause (x)(b) of the Order is not applicable.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (b) To the best of our knowledge and according to the information and explanations given to us no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) To the best of our knowledge and according to the information and explanations given to us, there are no whistle-blower complaints received during the year by the company, and accordingly, no reporting is required under this clause.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the provisions of Section 177 of the Companies Act, 2013 are not applicable to the Company. With respect to Section 188 of the Companies Act, 2013, where applicable, all transactions with related parties have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) In our opinion and according to the information and explanations given to us, the provisions of internal audit under Section 138 of the Companies Act, 2013 are not applicable to the company. Accordingly, reporting under clause (xiv)(a) and (xiv)(b) of the Companies (Auditor's Report) Order, 2020 is not applicable.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into non-cash transactions with directors or persons connected with them, and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, the reporting under clause (xvi) of the Order is not applicable to the company.
- (xvii) In our opinion and according to the information and explanations given to us company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been a resignation of the statutory auditors during the year. We have taken into consideration the issues, objections, or concerns raised by the outgoing auditors.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the

evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report, and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will be discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us and based on our examination of the records, the provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are not applicable to the company. Accordingly, the reporting requirements under clause (xx)(a) and (xx)(b) of the Companies (Auditor's Report) Order, 2020 are not applicable.

(xxi) The reporting under Clause (xxi) of Paragraph 3 of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of the same date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Softvan Labs Private Limited (“the Company”) as of March 31, 2025, in conjunction with our audit of the Financial Statements of the company for the year ended on that date.

Managements and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s Management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained, and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to the Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note.

Note: 1 Corporate Information

Softvan Labs Private Limited having CIN U74990GJ2018PTC104906 is a private company domiciled in India and incorporated under the provisions of the Companies Act, 2013. It is engaged in the business of Information Technology bussiness.

Note: 2 Summary of Material Accounting Policies

2.1 Basis of preparation and presentation

These financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirement of Division II of Schedule III of the Companies Act 2013, (Ind AS Compliant Schedule III), as applicable to financial statements.

Accordingly, the Company has prepared these financial statements which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss and the Statement of Changes in Equity for the year ended as on that date, and material accounting policies and other explanatory information (together hereinafter referred to as "financial statements").

The financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The financial statements are presented in INR and all values are rounded to the nearest lacs ('00,000) up to two decimal, except when otherwise indicated.

(i) Current vs. Non-Current

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax asset and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(ii) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for leases that are within the scope of Ind AS 116 and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Softvan Labs Private Limited
Notes to the Financial Statements for the year ended March 31, 2025

(iii) Property, plant and equipment

An item of PPE is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates), and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and any impairment losses. When significant parts of PPE are required to be replaced in regular intervals, the Company recognises such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is derecognised from the Balance Sheet and cost of the new item of PPE is recognised.

The expenditures that are incurred after the item of PPE has been available for use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred. However, in situations where the said expenditure can be measured reliably, and is probable that future economic benefits associated with it will flow to the Company, it is included in the asset's carrying value or as a separate asset, as appropriate.

Depreciation is calculated on a Written Down Value basis over the estimated useful lives of the assets as follows:

Particulars	Useful life
Building	30 years
Furniture and Fittings	10 years
Office Equipment	5 years
Vehicles	8 years
Computers	3 years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The Company had elected to consider the carrying value of all its items of property, plant and equipment under the previous GAAP financial statements and use the same as deemed cost in the opening Ind AS balance sheet as on the transition date.

(iv) Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated in order to determine the extent of the impairment loss, if any.

The recoverable amount of an asset or cash generating unit (as defined below) is the higher of its value in use and its fair value less costs of disposal. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash generating unit for which the estimates of future cash flows have not been adjusted. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognised in the profit or loss if the estimated recoverable amount of an asset or its cash generating unit is lower than its carrying amount. Impairment losses recognised in respect of cash-generating units are allocated to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

In respect of other asset, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

The Company assesses where climate risks could have a significant impact, such as the introduction of emission-reduction legislation that may increase manufacturing costs. These risks in relation to climate-related matters are included as key assumptions where they materially impact the measure of recoverable amount. These assumptions have been included in the cash-flow forecasts in assessing value-in-use amounts. At present, the impact of climate-related matters is not material to the Company's financial statements.

(v) Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The company has concluded that it is the principle in its revenue arrangement, because it typically controls the services before transferring them to the customer.

Contract balances

Contract asset

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

(vi) Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(vii) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss. Deferred tax is recognised in correlation to the underlying transaction either in other comprehensive income or substantively enacted at the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

(viii) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

b) Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

c) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(ix) Borrowing costs

Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalised as part of the cost of that asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

(x) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability is-

- (a) a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Trust or
- (b) a present obligation that arises from past events but is not recognized because
 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or
 - the amount of the obligation cannot be measured with sufficient reliability.

The Company does not recognize a contingent liability but discloses the same as per the requirements of Ind AS 37.

Contingent assets are not recognised in the financial statements.

(xi) Employee benefits:

i) Short term benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as a related service provided. A liability is recognised for the amount expected to be paid under short term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(xii) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management. Cash and cash equivalents include balance with banks which are unrestricted for withdrawal and usage.

(xiii) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(xiv) Recent accounting pronouncements

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 12 August 2024, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below:

Amendments to Ind AS 117

MCA notified Ind AS 117 a comprehensive standard that prescribe, recognition, measurement and disclosure requirements, to avoid diversities in practice for accounting Insurance contracts and It applies to all companies i.e.. to all insurance contracts regardless of the issuer. However Ind AS 117 is not applicable to the entities whose are insurance companies registered with IROAI. Additionally, amendments have been made to Ind AS 101 First time Adoption of Indian Accounting Standards Ind AS 103 Business Combinations.

AS 105 Non-current Assets Held for Sale and Discontinued Operations, Ind AS 107 Financial Instruments: Disclosures, Ind AS 109 Financial Instruments and Ind AS 115 Revenue from Contracts with Customers to align them with Ind AS 117 The amendments also introduce enhanced disclosure requirements, particularly in Ind AS 107, to provide clarity regarding financial instruments associated with insurance contracts.

Amendments to Ind AS 116

The amendments require an entity to recognise lease liability including variable lease payments which are not linked to index or a rate in a way it does not result into gain on right of use asset it retains.

The Company has reviewed the new pronouncements and based on its evaluation has determined that these amendments do not have a significant impact on the Company's Financial Statements.

2.2 Key Accounting Estimates and Significant Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively. Information about critical judgments in applying material accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the respective sections of material accounting policies above.

24 Financial Instrument Category

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instruments of the Company, other than those with carrying amounts that are reasonable approximations of fair values:

Particulars	As at March 31, 2025		As at March 31, 2024	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Trade Receivables	175.89	175.89	71.22	71.22
Cash and cash equivalents	200.85	200.85	37.89	37.89
Loans	14.63	14.63	12.00	12.00
Other financial assets	1,000.00	1,000.00	-	-
Financial liabilities				
Borrowings	3,839.15	3,839.15	-	-
Trade payables	-	-	-	-

The management of Company assessed that cash and cash equivalents, trade receivables, trade payables and current financial assets/ liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

24 Financial risk management objectives and policies (contd.)

The Company's principal financial liabilities comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include trade receivables, other receivables and cash & cash equivalents that derive directly from its operations.

(A) Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (trade receivables) and from its financing activities including deposit with banks and other financial instruments, if any.

The Company is exposed to credit risk mainly with respect to trade receivables (other than group entities). The trade receivables of the Company are typically non-interest bearing un-secured and derived from sales made to a number of independent customers including group entities.

Cash and cash equivalents are placed with reputed financial banks / institutions.

(B) Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Accordingly, as a prudent liquidity risk management measure, the Company closely monitors its liquidity position and deploys a robust cash management system. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

To manage liquidity risk, the Company monitors its net operating cash flow and maintains an adequate level of cash and cash equivalents to finance the Company's operations and mitigate the effects of fluctuations in cash flows.

All financial liabilities of the Company are current and hence payable within next one year, amounting to Rs 3,845.91 Lakhs as on 31 March, 2025 and 9.71 Lakhs as on 31 March, 2024.

(C) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises 2 types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings.

Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to foreign currency risk as there are no financial assets and liabilities denominated in foreign currency.

Interest rate Risk:

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The interest rate risk exposure is mainly from changes in floating interest rates. The interest rate are disclosed in the respective notes to these financial statement of the Company.

26 Amount Due to Micro, Small and Medium Enterprises

The Company has compiled the information based on intimations received from the supplier of their status as micro or small enterprises and / or its registration with appropriate authority under Micro, Small and Medium Enterprises Development Act, 2006 ('MSMED Act, 2006'). The balance due to Micro and Small Enterprises as defined under MSMED Act, 2006 as on March 31, 2025 and March 31, 2023 is Nil. No interest has been paid or payable under MSMED Act, 2006 during the current year and previous corresponding year.

27 Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") as required under Ind AS 108. The CODM is considered to be Board of Directors who makes strategic decisions and is responsible for allocating resources and assessing performance of the operating segments. The principle activities of the company comprises "Information Technology Services". Accordingly, the company has reportable segments consisting of Information Technology Related Services. Further, there are no geographical segment to be reported since all the operations are undertaken in India.

28 Commitments and contingencies

Capital Commitments :- As at March 2025, the company has no capital commitments.
Contingencies :- As at March 2025, the company has no contingencies.

29 Key Ratios:

Sr No	Ratios	2024-25	2023-24	Difference	Observations (If variance is more than 25%)
1	Current Ratio	1.06	3.17	-66.66%	Note-1
2	Debt- Equity Ratio	16.95	0.00	0.00%	NA
4	Return on Equity Ratio	0.53	0.38	39.55%	Note-2
5	Inventory Turnover Ratio	NA			
6	Trade Receivable Turnover Ratio	5.22	7.88	-34%	Note-3
7	Trade Payable Turnover Ratio	0.02	0.09	-77%	Note-4
8	Net Capital Turnover Ratio	4.06	6.50	37.48%	Note-5
9	Net Profit Ratio	0.19	0.09	98.12%	Note-6
10	Return on capital Employed	0.74	0.46	61.12%	Note-7
11	Return on Investment	NA			

Note-1 : The decrease in current ratio is due to increase in deposits and borrowing in comprison with previous year.

Note-2 : The increase in Return on Equity ratio due to company's net income increases while shareholders' equity remains relatively stable.

Note-3 : The decrease in trade receivable turnover ratio is due to decrease in receivables in comparison with previous year.

Note-4 : Company improves its payment processes, it can accelerate payments to suppliers, thereby decreasing the turnover ratio.

Note-5 : The increase in net profit ratio is due to increase in net profits in comparison with previous year.

Note-6 : The return on Capital Employed ratio increases due to decrease in the operating profit (EBIT - Earnings Before Interest and Taxes) in comparison with previous year.
